

This is for a 'Goalie Change'

This means that in the 3Q that 7 and 1 swapped as GK.

**8** S = Suspension

This is when the referee shows a red card to a player for brutality, misconduct or violence. They are not to return for the remainder of the match. The red flag must be shown.

Once you have written the event in the centre, you need to re-write it either on the blue or white side.

You will have to write everything TWICE.

- 1 Write in this section first.  
The white score always comes before the blue score.

### 3

You don't need to write the score when there is an Exclusion or Penalty

To signify the end of the quarter, squiggle under the final comment before starting the next quarter

G = Goal  
E = Exclusion  
P = Penalty  
TO = Time Out

W = White  
B = Blue  
S = Suspension  
PG = Penalty Goal

One more 'major foul' and this player would not be allowed to return for the remainder of the match. The red flag must be shown.

At the end of each quarter, tally up the goals scored and make sure they match the number of goals you have on the scoreboard

**10** Make sure the # of Exclusions and Goals on each of the W&B side match what you have written in the centre.  
Write the end result.

**4** When an exclusion occurs, you must write the Quarter # above the line, and the time below the line. If it is a penalty, you write the Quarter number and a P = 2P
